

PERFECT PRESENTS

***With over 130 participants last year,
we are back again!
Let's get full class enrollments this year!***

Are your kids invited to countless birthday parties? Hate running to the store every week to buy unneeded gifts? Join the quickly-growing number of families participating in Perfect Presents. This program will end the glut of birthday gifts that clutter our toy rooms, spoil our children, and drain our pocketbooks.

Stop the waste! Start the Tzedakah!

Choose the option that works best for your family:

Option 1: Pay \$25 per child with a **\$50 maximum per family** and stop buying gifts for other participants. Save yourself and your friends substantial time and money. *(With this option, you will not receive the Target gift card.)*

Option 2: Pay \$100 and receive a \$75 Target gift card to spend as you choose. Now you can buy your children something they actually want!

WHO: All children in grades EC3 - 5rd grade

WHEN: September 16, 2016 through September, 16 2017

WHY: Save your family hundreds of dollars and save our community \$30,000.
Do we really need to keep trading all these gifts back and forth each year?

TZEDAKAH: The \$25 your give to PTA will be returned to your child through innovative and enjoyable programing throughout the year. Let's teach our children about the value of money and the priority of tzedakah.

***All Perfect Present participants are exempt from gift giving
when attending a party of another participant.***

**Make checks payable to Hillel PTA and put Perfect Presents in the memo*
