KIDS' TIME PROGRAM REGISTRATION

Registration Procedures:

- Please complete one form per child, including payment signature.
- Return the form to Risa Kahane by Friday, November 22, 2019.

All Kid's Time Program payments are made through FACTS. Please be sure to complete the "amount to be charged through FACTS" and sign the "authorization signature" lines.

Contact Joe Sharp in the Business Office at 561-470-5000 ext. 288 or at jsharp@hilleldayschool.org with any questions.

Important Information:

-  Registration and payment are simultaneous.
 -  Registration closes at the end of the day on Friday, November 22, 2019.
 -  Session 2 starts on Monday, December 2, 2019.
 -  Most classes are run from 3:40pm - 4:50 pm.
 -  Classes are on a first-come first-served basis. Once a class is full, the student will need to sign up for a different class.
 -  Classes require a minimum registration of 6 students, unless otherwise noted. Refunds will not be issued, but we will do our best to assist you in selecting an alternative.
 -  Late entries are at the class leader's discretion. Class fees are set by session, and will not be prorated for latecomers.
 -  **In the unlikely event that a student would like to withdraw from a class, the fees cannot be applied for future credit after the 2nd week the session, but space permitting, he/she may move into a different class.**
 -  **If you anticipate your child trying out for a sports team, we ask that you please not register for a KTP class. We staff our classes according to enrollment and we need to be able to honor those commitments. If you do chose to register, refunds will not be given after the 2nd week of the session.**
 -  If a minimum of 6 students would like to commit to a course not being offered, the committee will assist in procuring an instructor and selecting a convenient time to offer the course.
 -  All programs run **RAIN OR SHINE**. The only exception is if the entire school is required to close due to inclement weather. In this case, you will be notified.
 -  If an outdoor class is cancelled due to weather, the class will be moved to Homework Club for that day.
- As always, we appreciate your feedback. Please feel free to contact me at cdimont@hilleldayschool.org or 561-470-5000 ext 218.

Monday

Wednesday

3:40pm - 4:50pm

Grades EC3 - K - \$205/12 classes

Grades EC3 - K - \$170/10classes

Our fun-filled classes include activities that develop motor skills, enhance physical fitness, and improve self-confidence. Kidokinetics teaches the basics of various sports and other important physical exercises, enabling children to feel competent when playing different sports. The children will be introduced to the basics of each sport in a fun and non-competitive atmosphere. Activities include soccer, hockey, tennis, basketball, volleyball, football, golf, hula hoops, obstacle courses, T-ball, and more. Kidokinetics focuses on individual achievement to improve the child's self-confidence.

Capoeira

Wednesday

3:40pm - 4:50pm

Grades K - 2 - \$180/10 classes

Nexlore Capoeira is an Afro-Brazilian martial art that combines elements of combat, acrobatics, music, dance and rituals in a very elegant and dynamic way. During a Capoeira session, students will learn martial arts techniques, discover acrobatics, play musical instruments and explore cultures. Capoeira improves coordination, builds flexibility, enhances concentration, boosts self-confidence and promotes an active lifestyle. This unique technique and educational approach to fitness makes Capoeira a martial art like no other! To learn more please go to www.nexloreusa.com.

Basketball (15 students max)

Monday - Skill Building

Wednesday - Tournament Play

Grades 2 - 4 (Boys & Girls) - \$205/12 classes

Grades 1 - 5 (Boys & Girls) - \$170/10 classes

Our team of coaches from Kingdom Training returns to teach the children the fundamentals of basketball. The Skill Building and Drill classes are for kids who are looking to eventually play on the school basketball team. They will be drill oriented, teaching structure and focus. They will have fun in this class, but all the kids will be mentally and physically challenged each class.

The Game Play and Have Fun and Play classes focus on fun, games, and building teamwork and leadership skills. The children will be taught how to communicate effectively and play well with others

Soccer and Speed & Agility Training (5 students minimum)

Monday

Tuesday

3:40pm - 4:50pm

Grades 1 - 3 - \$205/12 classes

Grades EC4 - 3 - \$190/11 classes

At International Touch Soccer Academy programs, your child will learn the fundamental skills of sports through a variety of games (Speed and Agility and Soccer). Children will engage in fun fitness activities, which will enhance their strength and motor skills. ITSA takes pride in keeping children active and teaching them the importance of their health.

ITSA's staff of trained coaches use positive reinforcement and constant encouragement throughout the class. The coaches strive to build self-esteem in individual athletes while teaching them to work as a team. Good sportsmanship is expected by all. Activities include; Challenge fun Sports Games, Speed & Agility Activities and Soccer. Our objective is to get your kids moving, having fun and promoting a healthy lifestyle.

Fun with Food

Tuesday
3:40pm - 4:50pm

Grades EC3 & EC4 - \$190/11 classes

In these hands-on classes, Morah Miri Touger will provide opportunities for the children to get creative with food and practice some kitchen skills. We will make recipes using various ingredients. After the children complete their recipe, they get to eat their creation! Most recipes will be no-bake.

Robocoding

Thursday
3:40pm - 4:50pm

Grades 1 - 3 - \$215/12 classes

Coding without a computer? It's the best way to start! Nexplore RoboCoding gives students a hands-on introduction to the fundamentals of both coding and robotics, allowing them to build and execute programs in the real world! With award-winning Cubelets kits, students combine robotic cubes—each with their own unique function—to create machines that can light up, move, and interact with the world around them. Students gain an in-depth understanding of fundamental concepts like inputs, outputs, and processing, and discover how simple building-blocks can come together to perform more and more complex tasks. By working together to solve coding and building challenges, students also reinforce essential life skills like teamwork, communication, and problem-solving. To learn more please go to www.nexploreusa.com.

If your child takes this class, we are happy to be able to offer you the opportunity to purchase a Curiosity Cubulates Set for a discounted rate (This is not required for the class). The cost would be \$220 plus tax. (\$30 lower than the retail price). Please see below for some resources for the Curiosity Set.
