Principal, Early Childhood – Grade 3

1999-2021

***“The two most important days of your
life are the day you are born and
the day you find out why.”***

- Mark Twain

This was the quote that followed Chayim's signature on every email.

On June 19, 2021, we lost our beloved friend, colleague and Principal, Mr. Chayim Dimont, Z\"

Chayim began his KHDS journey on June 1, 1999, when he was hired as the Director of Early Childhood. As Rabbi Kenneth Brander noted in his eulogy, “Chayim was a dreamer with an implementation strategy.” Over the years he professionalized the EC program and expanded his role through 3rd grade as Principal. Over the course of his 22-year KHDS tenure, he inspired thousands of children. His constant dedication and passion for education kept Chayim right where he wanted to be — with the children.

What makes the KHDS family so special is that we are blessed with leaders in our family who have devoted their lives to making our school a Makom Torah. Chayim was clearly one of these people. He guided and inspired with his loving heart and soul. His fundraising efforts built Aunt Jessie's playground. His love for theatrics and creativity brought endless fun. His Purim and play costumes brought laughs. His fireworks shows brought ruach. His Teddy Bear Day brought cuddly surprises. His daily EMET winner announcements echoed the halls of the elementary school. His carpool protocol was like a Broadway production (much like the quality of the end of year KTP performance that he always proudly presented). He was literally KHDS' biggest celebrity.

But that fun was also wrapped in hard work, countless hours of planning, learning and growing, and always being honest and present. He rallied through the 2021 Kindergarten graduation and then the 8th grade graduation of his youngest son, Ezra, as his final KHDS milestone. Although Chayim treated his KHDS family like blood relatives, his true love was (and is) for his wife Michele and children, Albert (KHDS Class of '16), Orly (KHDS Class of '19) and Ezra (KHDS Class of '21).

Chayim, we miss you immensely.

We proudly present the 2020-2021 Annual Report and formally thank our generous supporters from last year's campaign for their gifts of tzedakah! We also take this opportunity to reflect on the past school year (see pages 12-13 for the "School Year in Review") and look forward as our school has experienced much growth since last year — enrollment has increased by 25% and we have welcomed new administration, faculty and staff to the KHDS family. In addition, the next phase of our campus expansion, a state-of-the-art, two-story building, which will house 10 new classrooms and a beautiful new Beit Midrash, is planned to commence in the near future. See page 15 for details on how you can be a part of this exciting project!

The support that we receive from our stakeholders enables us to provide our students with the highest quality of Judaic and general studies education and also provides needed scholarship assistance to the growing number of families who are struggling in today's world and cannot afford the full cost of a Jewish education for their children.

Did you know that our Annual Campaign Scholarship Fund is not funded at all by tuition fees? It is in fact funded completely by the State of Florida and Jewish Federation of South Palm Beach County scholarship funding, several revenue generating programs, and gifts of tzedakah from generous donors! This mitzvah of tzedakah, particularly when in support of the education of children, is truly meaningful.

As we begin the secular New Year, let us thank Hashem for guiding us in overcoming our past hardships and may we also celebrate our past successes! We pray that our future is even brighter and that everyone is blessed with good health, happiness and prosperity.

LEGACY PLANNING: WHY IT'S NEVER TOO EARLY

Take the steps to ensure that your hard-earned wealth will seamlessly transition to your chosen beneficiaries. With an estate plan, you can take control to ensure that your vision for the future is realized, and not just left to some corporate or governmental bureaucracy to decide.

Many people think that an estate plan is purely the act of dividing assets between beneficiaries and should be done "later in life." However, this is far from the truth. An estate plan should include details of your wishes for your future medical care in the event that you become incapacitated. You should also leave instructions about how you would like your finances to be managed during your lifetime if you become unable to handle your affairs. **It is wise to do this "sooner" rather than "later."**

And while you are taking care of this important matter, why not include KHDS as a beneficiary?

Leaving a legacy is simple. Some options include:

- Bequest in a will
- Charitable Remainder Trust
- IRA or Pension Funds
- Cash or assets
- Life Insurance

Your planned legacy gift will:

- Help KHDS continue to provide the highest quality of education, programming, technology, and facilities so that we will always offer the very best and be attractive to new students.
- Help stabilize and ultimately lower tuition costs so that more families can choose KHDS for their children.
- Ensure that no child, regardless of their family's financial situation, is denied this impactful Jewish education.

We are offering FREE confidential consultations and services, which include a last will and testament, codicil and/or trust amendment and other useful guidance about planning your legacy, thanks to the donation of pro bono services by **Dvora Weinreb (Scher), Esq.**, KHDS parent. Please contact the Development Office if you would like to set up a time to speak with Dvora and plan for the future.

CAMP RUACH'S 9TH SUMMER OF FUN

Camp Ruach had another amazing and successful summer! **Nechamah Zangre** took over the reins as the new Camp Director for the camp's 9th summer. Although the summer still required navigating around COVID-19,

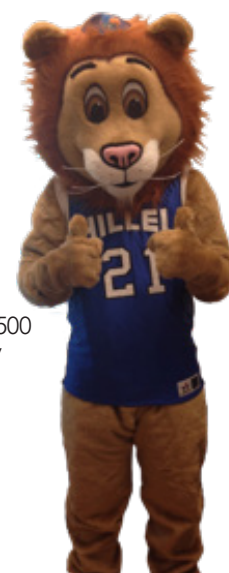

we maintained a safe, healthy, yet fun environment in which the children were able to learn, grow, explore, and most importantly, had tons of fun. Campers engaged in daily Tefillah, torah learning, Parsha, Parsha Art, swimming, water activities, sports, dance, zumba, science, art, cooking, and more! This year we had our WOW events, in house special activities and programs, in lieu of field trips. We started the summer off with a flying trapeze and had other amazing specials including a K9 in Flights show, a magic show, BMX bike show, mini golf and laser tag, just to name a few. This summer we also introduced a new CIT program for 7th - 9th graders where they spent half the day working in bunks as counselors and enjoyed the rest of the day participating in special programs and activities designed just for them. A special thanks to all the Division Heads, Specialty Staff, Morahs, Counselors, CITS, Medical Task Force, KHDS Staff/Support and the campers that all helped make this another safe and amazing summer.
