

Book: Mercy Watson to the Rescue by Kate DiCamillo

1. Every night, the Watsons sing Mercy to sleep. The song makes Mercy feel warm inside, as if she had just eaten her favorite—hot buttered toast. What makes you feel warm inside?
2. Eugenia Lincoln thinks pigs belong on farms. Name other animals that could be both pets and found on farms.
3. Why do you think Baby agrees with everything Eugenia says?
4. Why do you think Mercy is a “porcine wonder?”
5. At the end of the book, Mercy takes a nap. Why do you think she was tired?
6. Who was your favorite character? Why?
7. What was your favorite part of the story? Why?

Wishing you a wonderful summer!
