- 1 Ruler

Locker Shelving

Before school begins, have your parents go to Home Depot and have the guy in the lumber department cut you three wooden shelves with the following dimensions: 12 X 48 $\frac{3}{4}$ MDF Shelving. Cut them in three 14.5 x 12 inches. These three wonder shelves will magically turn your locker into a two tier space, giving you tons of room for books and supplies. Here is the link:
